

2021 PESTICIDE DISPOSAL PROGRAM

Localities Include:

Counties of Fairfax, Arlington, Cities of Falls Church, Alexandria and Fairfax

Fairfax Virginia Cooperative Extension, Virginia Department of Agriculture and Consumer Services (VDACS) and the Virginia Pesticide Control Board invite farmers, pesticide dealers, pest control firms, local governments, pesticide applicators, homeowners and golf courses to participate in the 2021 pesticide disposal program. Our program collects unwanted, outdated, or banned pesticides and disposes of them in a safe manner. **No cost to participants in the designated localities.** The program is funded through pesticide product registration fees collected by VDACS-Office of Pesticide Services.

Disposal Location: **Merrifield Garden Center-Fair Oaks**
12101 Lee Hwy
Fairfax, VA 22030
(703) 968-9600

When: **September 9, 2021**

Time: **9am – 1pm**

Participants must transport their unwanted pesticides to central collection sites located within the service area. If participants cannot safely containerize the unwanted pesticides for transport, the disposal contractor will make arrangements to do that for them. **Only pesticides will be accepted.** Pesticide contaminated material (for example, pesticide contaminated fertilizer/weed and feed products) will be accepted as part of the disposal program. In addition, the program does NOT accept motor oil, paint, fuel, fertilizer or other chemicals.

Participants should complete a pesticide disposal registration form ahead of time and return the completed form to VDACS, P.O. Box 1163, Richmond Virginia 23218. The form is available at: <https://www.vdacs.virginia.gov/pesticide-collection.shtml> or by contacting the Pesticide Disposal Program at 804-371-6561

Fairfax Cooperative Extension Agent: **Adria Bordas (703) 324-5369**
Extension Agent, Agriculture and Natural Resources: **Kirsten Conrad (703) 228-6400**
