

Let's Grow 2024

Last year 57 classroom presentations were delivered to over 1200 students by 47 Volunteers, 17 returning and 30 new trainees. We need your help to fulfill the expected increased number of class requests for the 2024 Season.

Did you enjoy "Show & Tell" ?
Do you have fun with kids?

If you answered yes, the Let's Grow Program (formerly Ready, Set, Grow!) may be for you.

New Volunteers attend a LG orientation to review the basics of program.

Returning and New LG volunteers are required to attend a training session to learn of updated materials and plans for expanding the Let's Grow program.

Optional Materials Organization session prepares kits used in the classrooms.

ORIENTATION (pick 1)

January 30— 6:30-8:00 PM
Virginia Conf Rm, PENINO
